

PUBLIC EVENT ANNOUNCEMENT

INDIAN HEAD COMMUNITY EVENTS & VOLUNTEER ROUNDTABLE

Voice of Indian Head invites local organizations, community leaders, event planners, and volunteers to join us for a mid-year coordination gathering focused on the second half of 2026.

As our town continues to grow its calendar of festivals, service projects, youth activities, civic events, fundraisers, and volunteer opportunities, good communication matters. This gathering is designed to bring the Town, community organizations, and the volunteers who make so much possible into the same room so we can compare calendars, identify needs, reduce overlap, and find new ways to support one another.

The goal is simple: help Indian Head work together better.

Date: Saturday, June 13, 2026

Time: 12:00 PM - 1:00 PM

Location: Black Box Theater, Indian Head, MD

Lunch: Light lunch will be provided.

RSVP: <https://voih.org/event-roundtable>

This is not a formal government meeting or a political event. It is a practical working session for the people and organizations helping build community life in Indian Head and the surrounding area.

We especially encourage attendance from local nonprofits, churches, civic groups, Town representatives, event organizers, small business supporters, school and youth activity leaders, and residents who want to help.

Together, we can make the second half of the year more connected, more coordinated, and more impactful.

STRONGER TOGETHER.

ONE COMMUNITY. ONE VOICE. ONE FUTURE.
